BCPS announces spring sports season expectations for attending athletic games

Towson, MD – Baltimore County Public Schools will continue to allow spectators at athletic games for the spring season beginning Friday, May 7.

BCPS will continue to provide opportunities for three spectators per athlete per game. At some smaller facilities, adjustments may be made to accommodate spectators safely, under current social distancing guidelines.

Masks and social distancing for spectators, coaches, and officials will continue to be required. Student athletes may remove their masks when competing or conditioning in practice. Student athletes must wear their masks at all other times.

School system leaders appreciate the support the Baltimore County community provides for the safe implementation of athletic programs at county schools.

Tickets are \$5 each (plus a service fee), paperless, and are needed for entrance to permitted athletic events. To purchase tickets, download the Ticket Spicket app or go to the [Ticket Spicket website](#) to find games. An online [quick start guide](#) and [video on buying tickets and checking in](#) provide additional directions.

###

[Baltimore County Public Schools](#), the nation's 25th largest school system, is focused on raising the bar and closing gaps to prepare our students for the future. Thanks to innovative and talented leaders, teachers, staff, and students, BCPS celebrates [many honors](#).
