Groundbreaking for new BCPS northeast elementary school postponed due to weather, site conditions

Ceremony to be rescheduled

TOWSON, MD. -- Due to the possibility of inclement weather and unsafe conditions at the site this morning, today's groundbreaking ceremony for the new northeast elementary school at Ridge Road has been postponed.

A new date for the celebration will be announced soon.

BCPS and county and state officials plan to break ground for a new 735-seat northeastern elementary school designed to meet the educational needs of one of Baltimore County's fastest-growing areas. The \$53.1 million project, which will provide more than 108,000 square feet of learning space along Ridge Road in the Rossville community of Baltimore County, is scheduled to open to students for the 2022-2023 school year.
