## **Students, families invited to visit schools for magnet showcase events**

*Events will take place October 4 - 30*

Towson, Md. – Students and families interested in Baltimore County Public Schools magnet programs are invited to visit the programs during magnet showcase events in October. The [magnet website](#) identifies programs and the schools where they are located.

BCPS magnet programs are theme-oriented courses of study that provide students with in-depth experiences in specialized areas of interest. BCPS has nearly 120 elementary, middle, and high school magnet programs in 32 schools across the county. While some magnet programs exist within comprehensive schools, there are also schools whose entire population is determined through the magnet application process.

All events are in person except the showcase event at Kenwood High School. Following is a list of [showcase events for October](#):
