Location changed for Board of Education public hearing about Northwest elementary school boundaries

What: The Board of Education for Baltimore County will hold a public hearing regarding proposed attendance lines for seven northwestern-area elementary schools. The new boundaries were developed late last year by the Northwest Elementary School Boundary Study, which sought to expand attendance areas for the replacement buildings at Bedford and Summit Park elementary schools, to provide capacity relief for other schools in the northwest, and to enable the move of students currently attending Campfield Early Learning Center to attend their home schools or nearby programs. **A new location for the Board’s public hearing – Sudbrook Magnet Middle School – has been selected.**

When: Wednesday, February 21, 2024, at 6:30 p.m.

Where: Sudbrook Magnet Middle School
4300 Bedford Road, Pikesville 21208

Background: Schools participating in the study are Bedford, Fort Garrison, Milbrook, Scotts Branch, Summit Park, and Wellwood elementary schools, as well as Campfield Early Learning Center. All information, including all materials from prior study meetings, may be found on the [Northwest Area Elementary School Boundary Study website](#).

###

[Baltimore County Public Schools](#), the nation’s 22nd largest school system, engages and empowers its talented students, teachers, staff, and stakeholders and strives to build an innovative and collaborative learning community where all students excel and reach their highest potential.
