With this agreement, CASE and the Board dedicate themselves to a shared commitment and responsibility for achieving the goals and priorities of the Baltimore County Public Schools.

## **Article II Council Rights and Responsibilities**

**2.1** Employees may join the Council at any time by completing a membership application. The Board agrees to collect CASE dues from employees who complete a membership application and designate the payroll deduction option. The Council will provide the Office of Payroll with the names and employee identification numbers of employees who request dues deductions. Dues deduction will begin when the Council notifies the Office of Payroll in writing of new Council members. The Council will determine the dues amount on an annual basis and inform the Office of Payroll of the rate(s) and the effective date. Dues deduction remains in effect until revoked by the employee.

The employee may withdraw from Council membership by notifying the Council in writing between July 1 and July 20. The letter must be post marked no later than July 20 to be considered valid. The Council will send a membership withdrawal list, for those seeking to withdraw whose dues had been payroll deducted, to the Office of Payroll as soon as possible after withdrawals are received, but no later than July 31. The Office of Payroll will deduct the unpaid balance of dues from the final pay of members who separate from service or the balance of one-half year dues if the employee separates prior to January 1 (for 12 month employee) or February 1 (for 10 month employee). No unpaid balance will be deducted from the employee's final pay if the separation is due to death, retirement, or an unpaid leave of absence.

Similarly, decisions made by the Board and/or superintendent or their designee affecting groups of CASE eligible employees will be provided. - 2.4** CASE may use the interschool mail delivery service to distribute official CASE materials.
- 2.5** CASE will have the right to use school buildings, equipment and other facilities in accordance with Board policy for its meetings and for the conduct of its business. - 2.8** CASE will be provided exhibit space at the annual Administrative and Supervisory Meeting held prior to the beginning of school each year.
- 2.9** The Superintendent may permit CASE officers and representatives to be absent from their regular work sites for the purpose of attending official meetings or conducting official CASE business except when their absence unreasonably interferes with their duties.

The report shall include the employee's name; date of hire; position classification; home and work addresses where the employee receives interoffice or U.S. mail; home and worksite telephone numbers; personal cell phone number; and work e-mail addresses.

### **Article III Board Rights**

#### **3. Member's Protection**

The Board agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint, or coercion by the Board or any Board representative against any employee because of Union membership or because of any lawful employee activity in an official capacity on behalf of the Union, or because of participation in the grievance procedure provided in this Agreement.

#### **Legal Authority**

- 3.1** The Board on its own behalf, and on behalf of the citizens of Baltimore County, retains and reserves unto itself, without limitations, all powers conferred upon and vested in it by the laws and Constitution of the State of Maryland and/or the United States.

#### **Managerial Rights**

- 3.2** In exercising such powers, the Board, through its administrative staff, shall be free, subject to the provisions of this Agreement, to exercise all of its managerial rights and authority to the extent permitted by law.

#### **Subcontracting**

- 3.3** The Board shall have the right to subcontract work. However, work that is normally performed by members of the bargaining unit who are covered by this Agreement shall not be subcontracted to organizations and/or workers not covered by this Agreement unless there is a substantial business or professional reason for so doing.

### **Article IV Professional Rights and Privileges**

- 4.1** In matters related to this Master Agreement, CASE represents all eligible employees.
- 4.2** In matters related to this Master Agreement, there will be no discrimination by the Board against employees because of their membership or non-membership in CASE.
- 4.3** This Master Agreement, the policies of the Board, and the discretionary authority of the Superintendent will be applied in good faith and not in an arbitrary or capricious manner.
- 4.4** Out-of-school activities and the personal lives of members will not be subject to action by the Board or by its administrative officials unless these activities clearly impair the members' effectiveness in their administrative or supervisory assignments or are in violation of Board ethics policies.
- 4.5** The Board will respect the rights of CASE members by keeping personal information private as determined by Maryland Law.

- 4.6** Upon request, each employee shall have the right to review, at a time mutually convenient for the employee and the appropriate administrator, the contents of their file in the central office, with the exception of any confidential references submitted as a part of the pre-hiring selection process. At the employee's request, a witness of their choice may accompany the employee in such a review. The review shall be made in the presence of the administrator responsible for the safekeeping of such files.
- 4.6.1** All items entered in the personnel file of a CASE member will be open to that member by appointment and available to no one else, except their superiors, others with a business need-to-know, and those responsible for keeping the files, without the member's written permission.
- 4.6.2** Material of a negative nature shall not be placed in an employee's file without their knowledge. Except for evaluation forms, material of a negative nature may be removed from the employee's file after five (5) years upon the employee's request and subject to the approval of the superintendent of schools or their designee.
- 4.6.3** Employee files maintained other than in the central file shall be available for review.
- 4.7** The Board and CASE recognize the right of CASE members to participate in political and governmental affairs in a manner afforded any other citizen, including the right to vote; the right to be an active member of a political party of their choice; the right to campaign for candidates for election to public office; the right to lobby on a particular issue or espouse a particular position, and the right to seek, campaign for, and serve in public office. Political activities of CASE members will be conducted outside the duty premises and outside the working hours. This limitation will not prohibit the use of "bumper stickers" or other expressions of individual preferences upon automobiles which members normally park on school grounds or other school system facilities.
- 4.8** CASE members have the right to engage in other gainful employment as long as it does not interfere with the performance of the duties of their position and such employment is not in violation of board ethics policies.

## **Article V**

### **Negotiation Procedure**

#### **Designation of Negotiators**

- 5.1** Prior to September 1 of each year, the Board and the Council shall each designate in writing, to the other, the name of the chairman of its negotiating team and not more than three other official representatives to serve on its negotiating team. Notwithstanding the above requirement, the Board and the Council shall retain the right to replace the chairman or members of their teams at their individual discretion.

#### **Proposals**

- 5.2** Requests by the Council or the Board to amend the existing Agreement must be submitted in writing no later than September 15 of each school year in which the contract expires.

#### **Time Limit – Impasse**

- 5.3** Negotiation on all items submitted must be completed by November 15 unless the impasse procedure provided in the negotiations law is used.
- 5.3.1** Should either party suggest an impasse, the procedures as provided in the negotiations law, relating

to impasse shall be followed.

- 5.3.2 If the parties are unable to agree upon a third panel member or obtain a commitment from a third panel member to serve within the specified period, a request for a list of Educational Panel members shall be made to the American Arbitration Association. All costs involving the neutral party shall be shared by the Board and the Council.
- 5.3.3 If the panel is activated, said panel shall, within thirty (30) calendar days render a report setting forth its recommendations for the resolution of the impasse unless the impasse is dissolved in the interim. The parties agree to cooperate with the panel and provide such information and assistance as it may request.

### **Ratification**

- 5.4 Following the completion of the regular negotiating session, an agreement shall be signed by the respective negotiating teams and shall be submitted to the parties for ratification. Within fifteen (15) calendar days of November 15 (or the report of an impasse panel), the parties shall notify each other of the results of the voting.
  - 5.4.1 If the Agreement is not ratified by the respective bodies, either party may make recommendations for renegotiation. Either party may initiate a meeting for this purpose upon seven (7) calendar days' notice. This time may be reduced by mutual consent.

### **Meetings**

- 5.5 Meetings during the regular negotiating period shall be scheduled by mutual consent. Either negotiating team may initiate such a meeting with five (5) calendar days' notice, in the absence of mutual consent. This provision shall prevail during a period of impasse as defined in the negotiations law.

### **Emergency Items**

- 5.6 Emergency items may be negotiated other than during the regular negotiating period, upon the mutual consent of both the Council and the Board.

### **Meeting Places**

- 5.7 Meeting places for negotiating shall be alternated and shall be selected by members of the respective negotiating teams without restriction, except that reasonable steps shall be taken to assure privacy of discussion.

### **Fiscal Renegotiation**

- 5.8 If the Baltimore County fiscal authorities, in exercising their authority under the law, reduce the budget recommendations of the Board, and such action makes it necessary for the Board to reduce one (1) or more items that have been negotiated, such items and all other negotiated items that are dependent upon budget funding shall be subject to renegotiation. In such event that negotiations are mandated, the parties agree to schedule a meeting as soon as possible after the action of the fiscal authorities, but no later than ten (10) calendar days after the County Council adopts the operating budget and they agree to make every effort to complete such renegotiation within five (5) calendar days.
  - 5.8.1 If the parties are unable to reach agreement within five (5) calendar days, the impasse procedure provided by law shall be employed with the mutually agreed upon restriction that this impasse

procedure shall not exceed ten (10) calendar days. This subsequent Agreement, including items agreed upon in the period of renegotiation, shall be direct and binding on all matters stated and referred to herein. Under no circumstances shall this process extend beyond the last day of school for pupils.

### **Distribution of Agreement**

- 5.9** Upon ratification of this Agreement, both parties shall prepare the final text of the ratified Agreement. Each party shall be responsible for the posting and/or electronic distribution of the Agreement.

### **Non-arbitrable**

- 5.10** A dispute related to this article is not subject to arbitration.

## **Article VI Promotion and Assignment**

- 6.1** It is the goal of the Baltimore County Public Schools to employ fair practices with regard to filling administrative vacancies in a consistent and equitable process.

### **6.1.1 Promotional Consideration Practices for Non-School Based Administrative Positions**

In the area of non-school-based administrative appointments, it has been and will continue to be the prerogative of the Superintendent and the Board of Education to either advertise or appoint without advertising for positions at the level of Director and Superintendent's staff. Past history, however, has been predominately that of advertising for these positions and interviewing well-qualified candidates expressing interest in promotion.

As a matter of past and intended future practice, vacancies for other non-school-based administrative positions are generally posted through the use of vacancy announcements. Every effort is made to advertise widely for a reasonable period of time and to consider all interested applicants who meet minimum criteria. Initial applicant consideration is based on credentials; those candidates who appear to be best qualified are interviewed by a screening panel, and two or three candidates are then recommended to the Superintendent for final consideration and interviewing. Finally, the Superintendent makes a recommendation to the Board of Education for appointment.

### **6.1.2 Promotional Consideration Practices for School Based Administrative Positions**

For school-based administrative positions, appointments are made considering individuals in the candidacy module of the school system's Leadership Development Program as well as employees and outside candidates with administrative experience appropriate to the open position.

- 6.2** The Superintendent, or their designee, will confer with affected school principals or department and office heads during the promotion, transfer, and/or appointment process.

### **6.3 Reassignment**

Reassignment may be made by the Superintendent as the needs of the school system require. Reassignment will be made only after the Superintendent, or their designee, has conferred with the unit eligible employee.

- 6.3.1** When a unit eligible employee is reassigned after the beginning of a fiscal year to a position that results in a reduction of salary, the unit member's base salary (in accordance with the salary scale for ten (10) and twelve (12) month administrative, executive and professional employees) shall not be reduced for the remainder of that fiscal year.

## **Article VII Evaluation**

- 7.1** Assistant principals and principals will be evaluated using the Maryland State Department of Education (MSDE) approved evaluation model. This includes, but is not limited to, a three (3) year evaluation cycle. All other CASE represented employees will receive yearly evaluations on work performance.
- 7.2** The standard evaluation form for principals and assistant principals will provide an overall rating of "highly effective," "effective," "developing," or "ineffective."
- 7.3** The standard evaluation form for non-school based certified CASE members will provide an overall rating of "satisfactory" or "unsatisfactory."
- 7.4** If an area of an evaluation has been rated "ineffective," "developing," or "needs improvement," comments related to these area(s) shall be included in or attached to the evaluation by the evaluator.
- 7.5** No member shall receive an overall rating of "ineffective" or "unsatisfactory" without having been given a written plan of assistance with suggestions for improvement, advanced warning of an ineffective or unsatisfactory rating, and having both the opportunity and sufficient time to address the areas of weakness. In any year in which an employee is not evaluated, it shall be assumed that the employee's performance is effective or satisfactory, or their previously assigned rating, whichever is higher.
- 7.6** Members shall be given the name and specific complaint of any person who complains about a member, within a reasonable period of time, if the complaint is to be given consideration in the member's evaluation or filed in the member's personnel file. The member shall be given the opportunity, in writing, to respond to a complaint. The response will be attached to the filed document and reviewed by the appropriate administrator. All such complaints shall be held confidential.
- 7.7** The member shall be given a copy of the completed written evaluation and will be given three (3) duty days to sign and return the evaluation. The member's signature indicates receipt of the evaluation but not necessarily agreement with the evaluation.
- 7.8** A member may attach a written response to the evaluation.
- 7.9** BCPS administrators in charter schools will be evaluated using the process identified in this Agreement. The Executive Board of the charter school may provide feedback to the appropriate Executive Director of Schools for inclusion in the evaluation when applicable.
- 7.10** Matters related to evaluation may be subject to the grievance process only for reasons of arbitrariness or failure to follow procedures.

## **Article VIII**

### **Member Protection**

- 8.1** When a meeting with a CASE member is convened for the purpose of discipline, demotion, or discharge, the member shall be advised of their right to representation prior to the beginning of any such conference or meeting and be given no more than ten (10) business days to arrange for representation.
- 8.2** No employee shall be disciplined, reprimanded, reduced in compensation, or deprived of any professional advantage as defined in this agreement without just cause. When imposing discipline the Board will, in appropriate circumstances, employ progressive discipline which consists of corrective counseling, warning letter, official letter of reprimand, suspension and discharge. The sequential use of these steps will depend upon the nature and the severity of the infraction.
- 8.3** Supervisors/administrators shall document corrective counseling sessions using a conference summary and shall provide the unit member with a copy which shall be signed acknowledging receipt.
- 8.4** If an immediate supervisor/administrator has reason to reprimand a CASE member, it shall not be done in the presence of other non-administrative personnel, students, or the public.
- 8.5** No member shall be disciplined without due process.
- 8.6** The Board shall maintain safe, sanitary, and healthful working conditions.
- 8.7** Members shall have authority and within the scope of their employment, shall exercise responsibility for the control of students during the school day and also during the supervision of school sponsored activities. Members shall be expected to take reasonable action in accordance with current school practice to deter acts of vandalism, willful waste of materials and utilities, verbal and physical abuse of persons and any and all forms of violence. A member may use reasonable force in self-defense or in the restraint of a student to prevent harm to that student, to other students, faculty and staff.
- 8.8** Where a member is charged with personal civil liability arising from an event or action taken by the member within the scope of employment of the member in the ordinary and/or appropriate performance of his duties and/or responsibilities, they will be covered by liability insurance provided by the Baltimore County Public Schools in accordance with the provisions of Sections 4-105 and 4-106 of the Education Article, Annotated Code of Maryland. In any suit or claim brought against a member as a result of an intervention as described in section 8.4 above, the Board shall provide legal counsel and indemnity in accordance with Section 7-307 (c) of the Education Article, Annotated Code of Maryland.

**8.9 Procedure in Case of Threat and/or Physical Attack**

Any case of threat and/or physical attack upon a staff member while acting within the scope of the employee's duties shall be promptly reported to the principal/office head or to the appropriate Executive Director of Schools. The scope of the employee's duties, in such cases, shall be defined to include the regular workday and any extra-curricular activity or duty, whether a school system-sponsored or PTA-sponsored event or activity.

Administrators and supervisory personnel shall proceed in accordance with the *Comprehensive Safety Plan*.

The administrator shall share with the employee all information relative to the immediate threat and/or physical attack relating to the persons involved, that is not legally prohibited, and will act in appropriate ways as liaison between the employee(s), the police, and the courts. The administrator, supervisor, Executive Director, or a member of the Superintendent's staff will appear with the employee at any consequent hearing.

Staff members shall report to the appropriate administrator any threats of civil or criminal action against them arising out of and in the course of their employment. Council members are also encouraged to contact CASE.

## **Article IX Absences and Leaves**

### **Adoption Leave**

- 9.1** A full-time employee shall have six (6) weeks for adoption beginning with the day the child is received. The absence shall be charged to accumulated sick leave.

### **Bereavement Leave**

- 9.2** Up to four (4) consecutive duty days with pay, beginning with the day of death or the first day after death are allowed if the death is in the immediate family. One (1) additional day will be allowed in those instances of delay of the funeral, the need to travel excessive distances, or when required by the tenets of the religious denomination. If further days are needed, urgent personal business leave may be used.

One (1) work day is allowed to attend the funeral of a close relative. An additional day, if needed, shall be granted in those instances of delay of the funeral, the need to travel excessive distances, or when required by the tenets of a religious denomination.

One or more of the allowed bereavement leave days may be used at a time that is not immediately proximate to the date of death for a burial or a memorial service that occurs at a later date. In such unusual circumstances and with appropriate documentation, flexibility in the use of the days shall be approved by the manager, Department of Staff Relations and Employee Performance Management.

The employee is required to submit to the appropriate administrator a letter or the Notification of Absence Card stating the relationship, the date of death, the date of the funeral, and the dates of absence. An acceptable form of verification for bereavement leave will be any of the following: obituaries, church programs, funeral home materials/documents, or state-issued death certificates.

### **Family Illness**

- 9.3** Employees may use a portion of their personal sick leave for illness in the immediate family. At the start of their leave accounting year, employees will be advanced a maximum of four (4) days from their personal sick leave to be used for illness in the family and they may accumulate up to a maximum of eight (8) days of such leave. Family Illness days are part of an employee's personal sick leave. The employee is required to provide the appropriate administrator with documentation stating the exact relationship of the family member, the nature of the illness, and the necessity for assisting the ill member of the family. The Department of Human Resources may approve up to a maximum of forty (40) additional days of Family Illness leave per fiscal year if the employee has

sufficient personal sick leave and can provide medical documentation of the family member's illness.

### **Absence for Maternity**

- 9.4** The parties hereto intend to comply fully with the provisions of the Pregnancy Discrimination Amendments of the Civil Rights Act of 1964, as amended. A member who is pregnant may use accrued sick leave prior to and following the birth of the child, subject to medical documentation indicating the physician's determination that the member refrain from employment due to a disability resulting from her pregnancy, child birth, and/or complications thereof. A member absent due to these reasons must return to work as soon as she is physically able. The Board reserves the right to request medical documentation of her disability and of her physical ability to return to work.

### **Child Rearing Leave**

- 9.5** Request for child rearing leave of absence shall be normally made by completing and forwarding the form, *Application for Leaves of Absence and Conversions* to the appropriate administrator as soon as possible but prior to the last day of work before the birth of the child. In the event of a premature delivery (prior to the completion of the thirty-seventh (37<sup>th</sup>) week), where the employee has not yet filed for leave, the *Application for Leaves of Absence and Conversions* must be received in the Department of Human Resources no later than thirty (30) days from the date of the birth of the child(ren).

A child rearing leave of absence for birth or adoption of a child may be granted for a period of up to two (2) years following the birth or adoption of the child. Such leave becomes effective following the last day of employment.

When a child rearing leave is scheduled to terminate after a semester begins (September 1 or February 1) the Board or member will have the option of extending the leave to the beginning of the following semester.

The unused sick leave of a member who has been granted a child rearing leave of absence will be held in abeyance until such time as they return to active service.

### **Military Leave**

- 9.6** All members shall be provided leave to serve in the uniformed services, covering all categories of military training and service, including duty performed on a voluntary or involuntary basis and in time of peace or war in accordance with the Uniformed Service Employment and Reemployment Rights Act of 1994 (USERRA).

Short-term - Members who lose time due to obligatory short-term emergency or annual unit training duty with the National Guard or military reserves may be granted leave with regular pay consistent with their official military orders up to a period of fifteen (15) working days per annum. During the fifteen-day (15) period, accrual of benefits will continue.

If a member is part of the organized militia or a reserve unit and is ordered to active duty under the authority of the governor or official Department of Defense notification and/or orders, they shall be entitled to leave of absence without loss of pay while actually serving under such active duty orders. "Without loss of pay" shall mean the member's regular pay for the period of service plus any compensation for such military duty.

In order to implement this policy, the member must present the Board with a copy of their military orders. In the absence of supporting documents, lost time due to military training or emergency duty shall be uncompensated. If a ten-month member has an option as to when they participate in short-term duty, they shall do so at the time, which has least conflict with their professional duties.

The Board will continue to pay its share of the health and dental benefits for the family of the employee called to active duty for up to one (1) year provided the employee was enrolled in the appropriate coverage at the time of the order.

Extended active duty military leave shall upon request be granted to any member entering one of the military services of the United States. Upon completion of their military obligation they shall, within a reasonable length of time, be reinstated to their previous position, or one of similar scope and complexity.

Members who are ordered to extend active duty shall be compensated for lost time up to fifteen (15) working days. Members returning to the system from military leave shall be granted up to a maximum of five (5) years of salary credit.

## **Sick Leave**

**9.7** CASE members, in their first two years, shall be advanced ten (10) days of sick leave for ten-month employees and twelve (12) days for twelve-month employment. Members shall be eligible to accumulate earned sick leave days on an unlimited basis. After two years, ten-month employees will be advanced fifteen (15) days, while twelve-month employees shall be advanced eighteen (18) days each fiscal year. The advance of sick leave will be prorated based upon date of hire and FTE.

A member who, on termination of service with the Board, is indebted to said Board for any amount of advanced sick leave shall have the amount of such indebtedness deducted from their earned salary. A member must reimburse said Board for any amount of indebtedness for advanced sick leave not covered by any monies due him/her.

A member on a leave of absence requiring Board action shall not be advanced sick leave time.

When a member is granted a leave of absence requiring Board action, their accumulated sick leave days are held in abeyance until they return to duty. Upon return to duty, the member will be granted sick leave days according to the policies in effect, but they will not lose their earned length of service for accumulation purposes.

As part of our Office of Employee Absence and Risk Management, the Board has initiated an Integrated Disability Management program. The purpose of the plan is to manage the use of sick leave time by employees who have been or will be out ten or more days and to help them reach maximum medical improvement so that they can return to work.

## **Study Leave--Sabbatical**

### **Eligibility and Limitation**

**9.8** A regularly certificated member with seven (7) or more years of satisfactory, continuous, active service with the Board may be granted a sabbatical leave of absence for the purpose of furthering professional growth by means of graduate study or other means approved by the Superintendent of Schools.

A second sabbatical leave will not be granted as long as there is any other applicant meeting the qualifications for a sabbatical leave. This restriction may be waived if the sabbatical leave is necessary in order for the applicant to fulfill a residency requirement for a doctorate.

Satisfactory, continuous, active service is construed as meeting uninterrupted professional service in the system.

No leave time will be regarded as active service insofar as determining the seven-year sabbatical leave eligibility requirement.

## **Procedures**

Application for sabbatical leave shall be made, in writing, after September 1 and prior to April 1, preceding the school year for which such leave is requested. Those applications which have been received by December 1 will be acted upon by the Board during that month. If the number of budgeted sabbatical leaves has not been allocated as a result of this procedure, those which are submitted up to April 1 will be acted upon in the order received.

A member must present, with their application, an outline of proposed study to be undertaken while on leave. A program of full-time graduate study of twenty-four (24) semester hours is accepted as meeting the sabbatical leave requirement. Any exception to this requirement must be approved by the Deputy Superintendent prior to the expiration of this leave.

Three (3) sabbatical leaves shall be available during each school year.

Sabbatical leaves for twelve-month members will begin on July 1 and extend through June 30 of the following year. Any exception to this provision must be approved by the Superintendent.

## **Compensation**

The salary for a member on sabbatical leave shall be determined on the basis of years of commitment for employment by the Board upon returning from the sabbatical leave. A member who commits himself/herself to at least two (2) years of service to the Board following such leave shall be paid at the rate of sixty (60) percent of their regular salary during the specified period of leave. Members who are granted sabbatical leave shall retain the option of one-year commitment of service, with payment to be made at the current rate of fifty (50) percent of their salary.

In the event a member on sabbatical leave receives extra monies through any type of grant, the combined amount of those monies and the sabbatical leave allowance shall not exceed the amount of money this person would have received as a member for the school year in which the sabbatical leave has been granted. In cases where the combined monies exceed the regular salary, as outlined above, the sabbatical leave salary shall be reduced accordingly.

Should the member not return to the service of the Board, they will be required to refund the salary granted for sabbatical leave.

The provisions of the sabbatical leave section will be administered in accordance with the conditions of the individual sabbatical leave contract (1972 revision).

## **Unusual or Imperative Leave**

- 9.9** A member may be granted a leave up to one (1) year without pay for extenuating circumstances which are unusual or imperative when no other leave is applicable.

An application with supporting documentation must be submitted and Board of Education approval must be secured before the absence begins.

The member may continue participation in the Board of Education Employee Insurance Plan by assuming full costs of the premium.

The member must immediately notify the Department of Human Resources if plans to take the leave change.

### **Personal Business Leave**

- 9.10** Each employee shall be entitled to up to five (5) days per year for personal business leave. Personal business leave must be used only to conduct personal business of a nature that cannot be scheduled on a non-duty day.

Whenever possible, a written statement of intent to be absent shall be submitted to the appropriate supervisor at least twenty-four (24) hours prior to the expected absence. The appropriate supervisor may make exception to the twenty-four hour (24) hour requirement in case of an emergency.

Personal business leave may not be used on consecutive duty days or on the first or last duty day of school except with the approval of the respective executive director. The use of a personal business leave day immediately preceding or following a holiday requires the executive director's authorization.

Absence for personal business leave shall not be charged to sick leave; unused personal business leave shall be accumulated as rolled sick leave. If sufficient time is available in this category of leave, rolled sick leave shall be available during the year for use by the employee for making annual sick leave bank assessment contributions.

### **Special Religious Observance Leave**

- 9.11** Employees will be permitted a total of seven (7) days for religious holidays, including the five (5) personal business days allowed. Unused personal business leave is cumulative, as provided above. In determining these holidays, the Superintendent will request, from appropriate religious authorities, verification of the requirement for employees to be absent from work to fulfill religious obligations. Should religious authorities verify that more than seven (7) days are needed by the employee, the employee shall be granted the additional day(s). This/These day(s) shall not be subtracted from the employee's accumulated sick leave. The employee is required to submit one (1) week in advance, to the appropriate administrator, a letter stating the intent to be absent on a duty day to observe a religious holiday.

### **Court-related Leave**

- 9.12** Employees may be absent without loss of pay to serve on a jury or to obey a summons issued by a legally-established court unless they are a defendant in court proceedings. Such absence is not charged to sick leave. An employee receiving compensation for this duty shall receive their regular salary, less any compensation for such day.
- A. Unless they are a defendant in a criminal court proceeding unrelated to any school activities or if charged with an offense outside the course of employment; or
  - B. Unless they are a plaintiff or defendant in a civil case where the allegations are unrelated to any activities related to the course of their employment.

An employee in subsection A and/or B may be paid retroactively for lost time because of the summons provided the verification of the verdict in their favor is provided within thirty (30) days of the absence. An employee under subsection A or B who pleads *nolo contendere* or who agrees to accept a finding of Probation Before Judgment (PBJ) shall not be paid.

### **Unified Sick Leave Bank**

**9.13 PURPOSE.** The Board of Education (BOE) will provide a Unified Sick Leave Bank (USLB) benefit to employees represented by the BOE's bargaining units, and to non-represented administrative assistants and management employees. The purpose of the USLB is to provide a vehicle through which employees may donate their accrued sick leave for other eligible employees to use. This additional paid sick leave may be granted to employees who have exhausted their accumulated sick leave and urgent personal business days.

**DEFINITION.** The USLB may grant additional paid sick leave to an employee who through catastrophic illness, injury, or quarantine is unable to perform the duties of their position. Under a qualifying illness or injury, sick leave from the bank may also be granted for medical, dental, or optical examinations, or treatments that are impossible to schedule on non-duty days. Only the individual employee may use the USLB for their personal illness or injury. The USLB may not be used to be absent from work to care for members of the employee's family. Sick leave from the bank may not be granted when the employee has an active worker's compensation claim and is receiving compensation. Sick leave from the bank may be granted when the employee has an active workers' compensation claim and is not receiving compensation and the illness is not related to the original worker's compensation claim. In the event the employee receives compensation through worker's compensation and the sick leave bank for the same pay period, the employee will reimburse the sick leave bank. The USLB may not be used by an employee who is eligible for disability retirement to postpone that retirement. In no case will the granting of leave from the bank cause an employee to receive more than their regular annual salary.

**ELIGIBILITY.** All bargaining unit-represented employees will be automatically enrolled in the USLB once the following eligibility criteria are met:

- **10-MONTH EMPLOYEES.** 10-MONTH EMPLOYEES WHO HAVE COMPLETED ONE YEAR OF CONTINUOUS SERVICE AND WHO HAVE ACCUMULATED 20 DAYS OF SICK LEAVE WILL BE AUTOMATICALLY ENROLLED IN THE USLB.
- **12-MONTH EMPLOYEES.** 12-MONTH EMPLOYEES WHO HAVE COMPLETED ONE YEAR OF CONTINUOUS SERVICE AND WHO HAVE ACCUMULATED 24 DAYS OF SICK LEAVE WILL BE AUTOMATICALLY ENROLLED IN THE USLB.

Employees meeting the eligibility requirements will be assessed a contribution when enrolled. The initial assessment and subsequent employee contributions will be based upon the needs of the USLB as determined by its governing committee.

**OPT OUT.** An employee who is eligible for membership in the USLB may 'opt out' for any reason by notifying the USLB in writing of their desire to withdraw from the USLB. Employees who opt out of the USLB will remain eligible for membership and may request to be re-enrolled by making a written request to the USLB. Employees who have opted out and request to be re-enrolled must meet the eligibility requirements. Employees who opt out in the fiscal year the initial assessment is made will have that sick leave time returned to them.

**USE OF THE USLB.** Employees must use all accumulated sick and urgent personal business leave prior to drawing from the USLB. The life time total that an employee may draw from the USLB is one (1) year. One year is equal to the number of duty days for 10-month employees and is equal to

245 duty days for 12-month employees. The USLB will not be charged for holidays, compensable non-duty week days, or vacation days.

**USLB OVERSIGHT COMMITTEE.** An USLB Oversight Committee, composed of a representative from each of the participating bargaining units and staff from the Office of Employee Absence and Risk Management, the Office of Payroll, and the Department of Staff Relations and Employee Performance Management will meet at least annually to determine the initial and subsequent employee annual sick leave assessment or contribution rates, to review the USLB's rules and procedures, and to make revisions to these rules and procedures as necessary. The Oversight Committee, in accordance with established USLB rules and procedures, and the Superintendent must approve any changes to the rules and procedures before they are disseminated to employees.

Organization members will obtain the USLB Application form and submit the completed request directly to the Office of Employee Absence and Risk Management. The Office of Employee Absence and Risk Management shall review the application and shall advise the employee and the bargaining unit's designated point of contact of all approval and denial decisions.

**APPEALS.** Appeals of decisions of the Office of Employee Absence and Risk Management may be made in writing within ten (10) duty days to the Chief Human Resources Officer (CHRO), Division of Human Resources. Pending the outcome of the appeal to the CHRO, the employee will continue to be covered by the sick leave bank.

## **Personal Injury Leave**

- 9.14** When an employee is absent from school as a result of personal injury caused by an accident or an assault occurring in the course of their employment as used and defined in the Workers' Compensation Laws of Maryland, and such lost time is approved by a Board physician, the employee will be paid as close to their normal net salary as possible for the period of such absence up to twelve (12) calendar months. No part of such absence will be charged to the employee's sick leave. If disability persists after the twelve (12) month period, the employee shall be placed on Leave of Absence and disability payment will commence consistent with the amount covered by Workers' Compensation Law. Any employee who terminates their service with the Board must reimburse the Board for any advanced personal injury leave pay for which they are indebted to the Board.

The Board will continue to pay its share of the cost of health insurance for an employee receiving Workers' Compensation benefits, including up to twelve (12) months following the expiration of personal injury and sick leave benefits.

An employee on Workers' Compensation may accrue up to one year of service credit in determining their salary, including longevity, or vacation eligibility. These advance credits will become effective upon the employee's return to work. Vacation time will not be accrued during the extended time.

In the event an employee is declared to have a permanent total disability verified by the Boards' Physician, they shall receive a contribution toward the premium for health insurance and life insurance, commensurate to an employee retiring with 30 years' of service.

## **Vacation**

- 9.15** An employee accrues twenty (20) days of vacation annually. Vacation will be capped at forty-five (45) days. At the end of the fiscal year, accrued vacation in excess of forty-five (45) days shall convert to rolled personal illness leave. Upon separation from service, employees will be paid for

all unused vacation based on salary in effect at the time of separation. This vacation payout will be capped at forty-five (45) days. Vacation requests shall be submitted to the appropriate supervisor at least twenty-four (24) hours in advance whenever possible. Requests for vacation will be approved or denied by the appropriate supervisor in a timely manner. If the request is denied, the supervisor shall provide the employee with a reason for the denial.

In determining vacation schedules, effort shall be made to comply with the employee's request. However, when there is a conflict between an employee's work responsibilities and an individual employee's request, work responsibilities will take precedence.

#### **9.16 Leave for Council Business**

Any member elected or duly appointed by the Council may, with proper application and permission from the Department of Staff Relations and Employee Performance Management, be granted release time to conduct Council business and/or attend official or professional meetings.

## **Article X Grievance Procedure**

### **Introduction**

The parties recognize their mutual responsibility for the prompt and orderly disposition of member problems. Their reliance on the following grievance procedure does not detract from the rights of a CASE member to discuss any matter with their immediate administrative supervisor or any other appropriate member of the administration to seek a resolution of their problem. A member may not utilize both the grievance procedure contained herein and the administrative appeal procedure to challenge the same alleged violation.

### **10.1 Definitions**

1. Member or employee: A member or employee is defined as any individual whose position is represented by this bargaining group.
2. Grievance: A grievance is a complaint by a member, or, in the event of an action affecting Council rights, the Council concerning the interpretation, application, or alleged violation of an express provision or provisions of this Agreement.
3. The Grievant: The grievant is the member filing a grievance.
4. Representation: A member may be represented by the Council at any step of the grievance procedure.
5. Time Limits: If the employer fails to answer within time limits provided, the grievance may be appealed to the next step. If the grievant fails to appeal within the time limits provided, it shall be deemed as acceptance of the employer's disposition of the claim. Time limits may be extended by mutual agreement in writing.

### **10.2 Procedure**

(Informal)

A member who feels they have a grievance shall discuss it, either orally or in writing, with their immediate supervisor within twenty-one (21) calendar days of the event giving rise to the complaint

or their first knowledge thereof. The informal discussion of problems and the continuous interchange of views between members and their appropriate administrators is encouraged in order to resolve as many disputes as possible informally.

**Level I** - If a member is not satisfied with the disposition of their claim at the informal level, they may submit their grievance in writing within ten (10) days, following the reply at the informal level, to their Executive Director or other appropriate administrator. If a grievance hearing is to be conducted, it shall be scheduled (not necessarily held) within ten (10) days of receipt of the grievance by the Executive Director or other appropriate administrator. Such individual shall within ten (10) days of receipt of the grievance, or date of grievance hearing if held, inform the grievant as to the disposition of their claim.

**Level II** - If a member is not satisfied with the disposition of their claim at Level I, they may appeal in writing to the Superintendent or their designated representative within ten (10) days. If a grievance hearing is to be conducted, it shall be scheduled (not necessarily held) within ten (10) days of receipt of the grievance by the Executive Director or other appropriate administrator. The Superintendent or their designated representative shall inform the grievant as to the disposition of their claim within ten (10) days of the receipt of the appeal at this level, or date of grievance hearing if held.

**Level III** - On request of the grievant, the Council may appeal the Superintendent's disposition to arbitration. If it so determines, it shall notify the Superintendent of its intent to appeal to arbitration within ten (10) days of receipt of notification of the Superintendent's disposition of the claim.

- 10.3** Within ten (10) days after such notification of submission to arbitration, the Board and the Council will attempt to agree upon a mutually acceptable arbitrator and obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties will then be bound by the rules and procedures of the American Arbitration Association.
- 10.4** The jurisdiction and authority of the arbitrator and their opinion and award shall be confined to the express provision or provisions of this Agreement at issue between the Council and the Board. They shall have no authority to add to, alter, detract from, amend or modify any provision of this Agreement, or to make any award which will in any way deprive the Board of any of the powers delegated to it by law. The award of the arbitrator, in writing, shall be final and binding on the aggrieved member or members, the Union, and the Board.
- 10.5** The arbitrator's decision shall be made within thirty (30) days of the conclusion of the presentation of the case. The cost for the services of the arbitrator shall be shared equally by the parties.
- 10.6** Grievance forms and attendant papers shall not be placed in an administrator's personnel file.

**Article XIII  
Working Conditions**

**Workdays**

**13.1** All workdays when the central and administrative offices are open shall be duty days for members employed on a twelve-month basis. All student days, when the schools are open, shall be duty days for members employed on a ten-month basis.

The school calendar has been established by the Board of Education in accordance with Section 7-103 of the Annotated Code of the General Public Laws of Maryland and except in case of emergency, members will not be required to work on the holidays designated by the Board and listed on the School Calendar.

The Board may designate additional days as holidays when the school calendar is adopted.

## **Work Hours**

**13.2** The work hours of CASE members are those hours required to complete duties as established by the Board. It is recognized that the job requirements of professionals are of such a nature that they cannot be adequately met within a specified time frame. The normal workload for professional personnel in CASE would include, but not be limited to, activities such as:

- Job-related late afternoon and evening meetings with other staff members, students, parents, community representatives and Board members.
- Supervision of student-oriented activities.
- Independent planning and work sessions beyond regular work hours as required to promote efficient execution of one's duties.
- Emergency situations.

When an event causes CASE represented employees to work well beyond their duty day and/or scope of responsibilities, compensation, in the form of compensatory time, will be assigned by the executive director.

**13.3** Principals will ensure that all administrative activities are equitably and collaboratively developed with all administrators for after school activity coverage. Concerns of the council or members will be brought to the attention of the assigned executive director, School Support, for resolution.

## **Professional Recognition**

**13.4** The Board and the Council recognize that the nature of the jobs performed by members of the unit is such that work beyond the customary 40-hour work week often is required.

The Board acknowledges that these professional demands may often impact on a member's ability to attend to routine or unexpected personal and/or family requirements. It further understands that members may need time during the business day to attend to these demands.

The Board further recognizes that professional staff will exercise professional judgment in determining when the needs of the school system permit them flexibility to attend to personal matters during the duty day without using leave. Members may use up to a total of five (5) hours per month to attend to personal business of relatively brief duration of up to two and a half (2½) hours during normal working hours. The five (5) hours shall be available for use each month, if needed, and are not cumulative.

Personal business may include, but is not limited to, private appointments, lab tests, parental obligations, household appointments, emergency household demands, or other personal issues.

Unit members wishing to use this privilege will submit their request to their supervisor at least forty-eight (48) hours in advance of the anticipated date of absence so as to maintain work site supervision, safety, stability, and employee accountability. Supervisors shall favorably consider requests unless there is a reasonable basis for doing otherwise.

**13.5** The parties agree that this privilege is to be used occasionally and is not for regular or frequent use. The parties also recognize that unit members will not overuse these privileges and the Board, at the appropriate supervisory level, retains the right to deny such privileges to any unit member whose pattern of absences from work appears inconsistent with the performance of their duties in the highly professional manner expected of all unit members. It is agreed that the substance of this section is subject to the grievance procedure, but not to the arbitration procedure.

## **Article XIV Compensation**

- 14.1** The salaries for members are set forth in Appendix A.
- 14.2** In the event of a salary error, neither the Board nor CASE may claim salary adjustments for any more than the fiscal year in which the error is detected. When an administrator has been overpaid, they must be paid at the correct rate of pay for two (2) pay periods before repayment deductions begin. The Board and CASE agree that they will enter into immediate negotiations specifically and exclusively with respect to any provision of the Agreement which has thus been declared illegal. CASE agrees that it will abide by the provisions of the negotiations law.
